Hi!

Added additional files per today's discussion here: <https://apple.ent.box.com/folder/142254763453>

I think I got everything we discussed as outstanding — let me know if I had any to-dos I didn't capture.

Also, I found a bunch of super weird texts between me and Dan I forgot about from March & April and added them into that folder. He was fully aware I was traumatized and also in physical danger — he was giving me recommendations about guns/knives vs home surveillance. In context its slightly less weird, but this spring he did also text me at one point "you're nasty af."

Talk to you monday!

## UPDATED

### Spanking (Seat at the Table Panel)

Date: 5/8/2018

Found the full Dan/John panel discussion with the Ashley/spanking bit, but it also included more. I uploaded the full video.

I included feedback notes that Monu, Kai & I sent including:

- Dan West made fun of Yannick's eyesight
- John disrespected someone's size & posture (his example of the guy who's really good when he's presenting, but doesn't seem like it before hand)
- John suggested people hug people who are honest
- Dan told a story when he was supposed to present on something but Yannick switched him out and had Dan's direct present instead — and Dan said he was mad until Yannick told him that Apple will probably get sued about whatever it was and that the direct can take the fall instead of Dan
- And then the spanking (around min 39)

### Ashley is not Confidential Garbage

Time stamp was Sept 27 2019 & added to folder

### Matchmaking

Dan's daughter [REDACTED] took me to Stanford on May 29, 2020. Told me the family talks about the match making / pimping thing.

Dinner was on Dec 28th 2017. Texts with Dan were Dec 30th 2017.

### Unbutton His Shirt

Date: Nov 10, 2020 10am-12pm

1:1 w/ Dan After. Nov 17 2020

## **IN PROGRESS**

### **Fleas**

On more note on Dan and I need to find documentation of it — he on several occasions responded to me giving him feedback that upset him with, “I guess sometimes when you invite dogs on the couch you get fleas.”

### **Dan asking us to delete videos**

I asked the new leads of the women’s group to look for this email where Dan asked us to delete the videos, like the panel above. I don’t have it in my mail, so I think it’s in the shared box for the group I don’t have access to anymore.

### **2x Workers Comp**

Planning to file the workers comp claims for 2017 peanut poisoning & pertussis next week — didn’t have time today.

### **Listening Sessions**

I’ll send that intro next week to Scott.

### **John Rant**

Will upload full kickoff video.

### **Ashley:Ekelemchi**

Scheduled: Jul 29, 2021 at 2:00 PM to 3:30 PM, CDT
